

Results of the 5th International Conference of Postgraduate Medical Students

November 27 – 29, 2008

Education Centre of the Medical Faculty in University Hospital, Hradec Králové

The delegates from the Czech and Slovak medical and pharmaceutical faculties and medical faculties from 8 European countries were participated in the Conference (Great Britain-Liverpool, Denmark-Copenhagen, Portugal-Porto, Germany-Leipzig, Poland-Kraków, Hungary-Pécs, Austria-Wien, Croatia-Zagreb).

All presentations were put in one section.

The authors of three best presentations received a financial reward.

RESULTS:

1. Florian W. Kiefer (Vienna) OSTEOPONTIN: A MEDIATOR OF OBESITY-INDUCED ADIPOSE TISSUE INFLAMMATION AND INSULIN RESISTANCE
2. Rasmus Møgelvang (Copenhagen) POPULATION STUDY OF CARDIAC TISSUE DOPPLER IMAGING BY ULTRASONOGRAPHY. ASSOCIATION WITH ISCHEMIC HEART DISEASE, HYPERTENSION, DIABETES, AND MORTALITY
3. Jitka Fučíková (2. LF UK Praha) GENERATION OF CLINICAL-GRADE DENDRITIC CELL-BASED VACCINE FOR IMMUNOTHERAPY OF OVARIAN CANCER
